I Don't Worry About A Thing

Labrador

(allison)
(warner chappell music ltd.)If this life is driving you to drink
You're sitting around wondering just what to think
Well I got some consolation
I'll give it to you if I mightI don't worry about a thing
I know nothing's gonna be alrightYou know this world's just one big trouble spot
Some have and some have not
You know, I used to be troubled but
I finally saw the lightI don't worry about a thing
I know nothing's gonna be alrightDon't waste your time trying to be a go-getter
Things will get worse before they get any better
You know there's always somebody playing with dynamite
I don't worry about a thing
I know nothing's gonna be alrightI don't worry about a thing
I know nothing's gonna be alright
