

# Working Poor

## Fantastic Negrito

Working poor  
Their mind is on vacation  
That man he cracked that whip  
And beat you downWell I keep on knocking  
I keep on knocking but I can't get inI feel like it's over  
Him clean my city  
Me sell my soul  
Him evil genius  
turned working people  
Into the working poor  
Well I keep on knocking  
I keep on knocking but I can't get inSip fancy coffees  
Step over body  
Outside he door  
Him fancy condo  
He she call PO PO  
me sing too loudDon't sell your life  
Well I keep on knocking  
I keep on knocking but I can't get in  
Me move to Stockton  
Him fed him monster  
I can't live here no more  
Sip holy water  
Turned working people  
Into the working poorWell I keep on knocking  
I keep on knocking but I can't get in
