

Vacation

Simple Plan

I know a girl whos obsessed with a guy
She talks for hours and still tomorrow
Shell call again and when he thinks that this could be the end
She calls againAt six in the morning, she waits to the door
He tells her to leave but still tomorrow
Shell be there again
She won't let goCant you just go somewhere on vacation?
I could book your flight
And pack your bags
If you wantA one way ticket out of my life
Watching you fly away
I never liked youShe doesnt care if he tries to ignore
He runs away but still she follows
She'll tries again
She likes to think, shell get him in the end, yeahCant you just go somewhere on vacation?
I could book your flight
And pack your bags
If you wantA one way ticket out of my life
Watching you fly away
I never liked you
I never wanted you
I never liked you
I never wanted you, whoaCant you just go somewhere on vacation?
I could book your flight
And pack your bags
If you wantA one way ticket out of my life
Watching you fly away
I never liked you
I never wanted you
I never liked you
Im not in love with you
