

# Crazy Horse

## The Scaffolds

Lightning from above  
Followed by hail  
Death from above  
In the wake of his trail  
A vision sent this child  
Becomes a man  
Blood of the past has chose  
His planI am  
Crazy Horse  
I amThe sacrifice of others walk within  
The battlefields of death embracing him  
The courage from beyond surrounds  
One's soul  
Walking side by side though  
Graves unknownA vision sent for the heavens  
To see  
This is a good day to die  
Now follow me
