

No One Likes Superman Anymore

I Fight Dragons

Strong hands, strong mind
Strong all the time
Straightforward and kind
Too simply definedCause no one wants to know
The man who stands for things we outgrow
He's too noble and too blind
We're all older now
And we don't need someone to care about
The innocence we left behindDon't touch that dial
Its just that goodness is out of styleBeat dark, beat cold
(So conflicted)
No hand to hold
(Heart constricted)
Dark knight bright soul
(We're addicted)
No room here for the boldCause no one wants to know
The man who stands for things we outgrow
He's too noble and too blind
We're all older now
And we don't need someone to care about
The innocence we left behindAnd what if he can fly?
Hey well so can I
Jet Blue or United Airlines
And who cares if he's strong?
All we see's the wrong we've done
Reflected in his eyesCause no one wants to know
The man who stands for things we outgrow
He's too noble and too blind
We're all older now
And we don't need someone to care about
The innocence we left behindCause no one wants to know
The man who stands for things we outgrow
He's too noble and too blind
