

# Kiss & Tell

## Selena Gomez & The Scene

When you walk, you don't leave tracks  
When you talk they don't talk back  
Believe in every word you say  
But they don't know, they don't, don't know  
Secrets that you just cant keep  
Promises that you made me  
You twisted it to suit yourself,  
But now I know, I know, I know  
Ooh everything that I told you  
Ooh you just smile and then you

Kiss and tell  
Everything I say  
Stuck inside your little web  
Everybody wants to know, yeah  
Lips that lie  
Cover your track  
Sold me out and  
You just laugh  
Say we're friends until the end, yeah, but you

Don't mean it  
You don't mean it  
You don't mean it, you don't mean it, no

I wish I could take it back  
You want it all but you cant have that  
People falling at your feet,  
But they don't know, they don't, don't know  
You're gonna figure out real soon  
The dirty deeds will catch up to you  
Its crumbling beneath your feet,  
But you don't know, you don't, don't know  
Ooh everything that I told you  
Ooh you just smile and then you

Kiss and tell  
Everything I say  
Stuck inside your little web  
Everybody wants to know, yeah

Lips that lie  
Cover your track  
Sold me out and  
You just laugh  
Say we're friends until the end, yeah, but you

Don't mean it  
You don't mean it  
You don't mean it, you don't mean it, no

Ooh everything that I told you  
Ooh everything that I told you

Ooh you just smile and then you

Kiss and tell  
Everything I say  
Stuck inside your little web  
Everybody wants to know, yeah  
Lips that lie  
Cover your track  
Sold me out and  
You just laugh  
Say we're friends until the end, yeah, but you

Don't mean it  
You don't mean it  
You don't mean it, you don't mean it, no
