Wobble

V.I.C.

All the shawties in the club, let me see you just
Back it up, drop it down, let me see you just
Get low, scrub the ground, let me see you just
Push it up, push it up, let me see you justWobble baby, wobble baby, wobble baby, wobble, yeah
Wobble baby, wobble baby, wobble baby, wobble, yeah
Wobble baby, wobble baby, wobble baby, wobble, yeah
Wobble baby, wobble baby, wobble baby, wobble, yeahGet in there, yeah, yeah

Ay big girl, make 'em back it up, yeah, make 'em back it up
Ay big girl, make 'em back it up, yeah, make 'em back it up
Ay big girl, make 'em back it up, yeah, make 'em back it upI got 'em shaking their boobies like congos
Man, I'm shaking the city like quakes
The haters blue in the face like gonzo
'Cause I'm raking in cake, so let's bakeI'm taking the game, the game's mine
Y'all witness a change, it's my time
Yeah, I'm new to the game but y'all might
Wanna save ya whack raps, daylight saving timeI could dance homie, I don't two-step
Y'all looking at something like a true player
A girl told me that a man that could dance
Might could possibly get down with the tool in his pantsNow all my ladies let me see you vibrate
And when it's over you ain't gon' need ya
'Cause I'm a pro, make ya bend ya back low
Then just pound it real fast just like percolatorWobble baby, wobble baby, wobble baby, wobble, yeah
Wobble baby, wobble baby, wobble baby, wobble, yeah
Wobble baby, wobble baby, wobble baby, wobble, yeah

Ay big girl, make 'em back it up, yeah, make 'em back it upGirl wobble it and I'ma gobble it
I see you moving your head to head bobbling
We can cradle the bed, I'm straight rocking it
The girls say my head like the head of a rocket shipGoddamn, I'm so explicit
But I can't help it, my flow ridiculous
Boy got a gift like it gotta be Christmas

Swag don't miss like he gotta be giftedThe girls brought cameras and they want pictures
And they gon' frame 'em to see dat
Led 'em to the bed while I'm sayin' my scriptures
'Cause I leave ya holy like ya pray in the templeWant beat? I move with the lead of a pencil
And mine won't miss you, goodnight kiss you
Take a band back 'cause you got pistols
And I don't think bounty pickin' up these issuesWobble baby, wobble baby, wobble baby, wobble, yeah
