

Wobble

V.I.C.

All the shawties in the club, let me see you just
Back it up, drop it down, let me see you just
Get low, scrub the ground, let me see you just
Push it up, push it up, let me see you just Wobble baby, wobble baby, wobble baby, wobble, yeah
Wobble baby, wobble baby, wobble baby, wobble, yeah
Wobble baby, wobble baby, wobble baby, wobble, yeah
Wobble baby, wobble baby, wobble baby, wobble, yeah Get in there, yeah, yeah
Get in there, yeah, yeah
Get in there, yeah, yeah
Get in there, yeah, yeah Ay big girl, make 'em back it up, yeah, make 'em back it up
Ay big girl, make 'em back it up, yeah, make 'em back it up
Ay big girl, make 'em back it up, yeah, make 'em back it up
Ay big girl, make 'em back it up, yeah, make 'em back it up I got 'em shaking their boobies like congos
Man, I'm shaking the city like quakes
The haters blue in the face like gonzo
'Cause I'm raking in cake, so let's bake I'm taking the game, the game's mine
Y'all witness a change, it's my time
Yeah, I'm new to the game but y'all might
Wanna save ya whack raps, daylight saving time I could dance homie, I don't two-step
Y'all looking at something like a true player
A girl told me that a man that could dance
Might could possibly get down with the tool in his pants Now all my ladies let me see you vibrate
And when it's over you ain't gon' need ya
'Cause I'm a pro, make ya bend ya back low
Then just pound it real fast just like percolator Wobble baby, wobble baby, wobble baby, wobble, yeah
Wobble baby, wobble baby, wobble baby, wobble, yeah
Wobble baby, wobble baby, wobble baby, wobble, yeah
Wobble baby, wobble baby, wobble baby, wobble, yeah Get in there, yeah, yeah
Get in there, yeah, yeah
Get in there, yeah, yeah
Get in there, yeah, yeah Ay big girl, make 'em back it up, yeah, make 'em back it up
Ay big girl, make 'em back it up, yeah, make 'em back it up
Ay big girl, make 'em back it up, yeah, make 'em back it up
Ay big girl, make 'em back it up, yeah, make 'em back it up Girl wobble it and I'm a gobble it
I see you moving your head to head bobbling
We can cradle the bed, I'm straight rocking it
The girls say my head like the head of a rocket ship Goddamn, I'm so explicit
But I can't help it, my flow ridiculous
Boy got a gift like it gotta be Christmas

Swag don't miss like he gotta be gifted
 The girls brought cameras and they want pictures
 And they gon' frame 'em to see dat
 Led 'em to the bed while I'm sayin' my scriptures
 'Cause I leave ya holy like ya pray in the temple
 Want beat? I move with the lead of a pencil
 And mine won't miss you, goodnight kiss you
 Take a band back 'cause you got pistols
 And I don't think bounty pickin' up these issues
 Wobble baby, wobble baby, wobble baby, wobble, yeah
 Wobble baby, wobble baby, wobble baby, wobble, yeah
 Wobble baby, wobble baby, wobble baby, wobble, yeah
 Wobble baby, wobble baby, wobble baby, wobble, yeah
 Get in there, yeah, yeah
 Get in there, yeah, yeah
 Get in there, yeah, yeah
 Ay big girl, make 'em back it up, yeah, make 'em back it up
 Ay big girl, make 'em back it up, yeah, make 'em back it up
 Ay big girl, make 'em back it up, yeah, make 'em back it up
 Ay big girl, make 'em back it up, yeah, make 'em back it up
 All the shawties in the club, let me see you just
 Back it up, drop it down, let me see you just
 Get low, scrub the ground, let me see you just
 Push it up, push it up, let me see you just
 Wobble, wobble, shake, shake it, shake it, just give it here
 Wobble, wobble, just push it, push it, just give it here
 Show me whatcha got, show me whatcha got, just give it here
 Show me whatcha got, show me whatcha got
 Ay big girl, make 'em back it up, yeah, make 'em back it up
 Ay big girl, make 'em back it up, yeah, make 'em back it up
 Ay big girl, make 'em back it up, yeah, make 'em back it up
 Ay big girl, make 'em back it up, yeah, make 'em back it up
 Wait a minute now
 Wait a minute now
 Wait a minute now
 Wobble baby, wobble baby, wobble baby, wobble, yeah
 Wobble baby, wobble baby, wobble baby, wobble, yeah
 Wobble baby, wobble baby, wobble baby, wobble, yeah
 Wobble baby, wobble baby, wobble baby, wobble, yeah
 Get in there, yeah, yeah
 Get in there, yeah, yeah
 Get in there, yeah, yeah
 Ay big girl, make 'em back it up, yeah, make 'em back it up
 Ay big girl, make 'em back it up, yeah, make 'em back it up
 Ay big girl, make 'em back it up, yeah, make 'em back it up
 Ay big girl, make 'em back it up, yeah, make 'em back it up
