Always (feat. Alana)

MK

Do you know what your love is doing to me baby
Do you know how I really feel about you
Do you know what your love is doing to me baby
Do you know how I really feel about you
Do you know what you're
Do you know what you're
Do you know what you're
Do you do you know
Do you know what you're
Do you know what you're
Do you know what you're
Do you do you know
Do you know what your love is doing to me baby
Do you know how I really feel about youDo you know what your love is doing to me baby
Do you know how I really feel about you
Do you know what your love is doing to me baby
Do you know how I really feel about youDo you know what your love is doing to me baby
Do you know how I really feel about you
Do you know what your love is doing to me baby
Do you know how I really feel about youDo you know what you're
Do you know what you're
Do you know what you're
Do you do you know
Do you know what you're
Do you know what you're
Do you know what you're
Do you do you know
Do you know what your love is doing to me baby
Do you know how I really feel about you
