

# Always (feat. Alana)

[MK](#)

Do you know what your love is doing to me baby  
Do you know how I really feel about you  
Do you know what your love is doing to me baby  
Do you know how I really feel about you  
Do you know what you're  
Do you know what you're  
Do you know what you're  
Do you do you know  
Do you know what you're  
Do you know what you're  
Do you know what you're  
Do you do you know  
Do you know what your love is doing to me baby  
Do you know how I really feel about you Do you know what your love is doing to me baby  
Do you know how I really feel about you  
Do you know what your love is doing to me baby  
Do you know how I really feel about you Do you know what your love is doing to me baby  
Do you know how I really feel about you  
Do you know what your love is doing to me baby  
Do you know how I really feel about you Do you know what you're  
Do you know what you're  
Do you know what you're  
Do you do you know  
Do you know what you're  
Do you know what you're  
Do you know what you're  
Do you do you know  
Do you know what your love is doing to me baby  
Do you know how I really feel about you
