

Tornado Of Souls (Los Angeles 2-95)

Megadeth

This morning I made the call
The one that ends it all
Hanging up,I wanted to cry
But dammit,this well's gone dry
Not for the money,not for the fame
Not for the power,just no more gamesBut now I'm safe in the eye of the tornado
I can't replace the lies,that let a 1000 days ago
No more living trapped inside
In her way I'll surely die
In the eye of the tornado, blow me awayYou'll grow to loathe my name
You'll hate me just the same
You won't need your breath
And soon you'll meet your death
Not from the years, not from the use
Not from the tears, just self abuseBut now I'm safe in the eye of the tornado
I can't replace the lies,that let a 1000 days ago
No more living trapped inside
In her way I'll surely die
In the eye of the tornado, blow me awayWho's to say,
What's for me to say
Who's to say
What's for me to be
Who's to say
What's for me to do
Cause a big nothing it'll be for meThe land of opportunity
The golden chance for me
My future looks so bright
Now I think I've seen the lightCan't say what's on my mind
Can't do what I really feel
In this bed I made for me
Is where I sleep,I really feelI warn you of the fate
Proven true to late
Your tongue twist perverse
Come drink now of this curseAnd now I fill your brain
I spin you round again
My poison fills your head
As I tuck you into bedYou feel my fingertips
You won't forget my lips
You'll feel my cold breath

It's the kiss of death
