Slut Like You

Pink

I'm Not A Slut
I Just Love Love
Tell Something New
Cause' I Heard This:
"Okay I'll Fuck You"
A Litlle Taste Test
You'll Be My Little Friend
You'll Be My Little Friend
You'll Be My Little Friend
And They Think
We Fall In Love
But That's Not In
Just Want To Get Some
And That's Some Shit
You'll Be My Little Friend
You'll Be My Little Friend
You'll Be My Little Friend
Yeaah Yeah Yeah Yeah
I Got A Little Piece Of
You- Hoooo
And it's just like
Woo- Hooo
Wam Bam!
Thank you ma'am
Woo- Hooo
I'm Slut Like You
You Say You're
Looking For A
Foo- Ool
And I'm Just Like:
"Me Too"
I'm Gonna Let You Know
The Tru-uth
I'm Slut Like You
Sitting With My Friends
& We're Picking
Who We Might Let In
Them Boys Are Starving
They're Just Our Little Friends

They're Just Our Little Friends
They're Just Our Little Friends
(Listen You Little Fucker)
You Think You Call The Shots
I Just Bought You Some
Drink Up Your Rides Gone
This Might Be Fun
You're Now My Little Friend
You're Now My Little Friend
You're Now My Little Friend
Yeaah Yeah Yeah Yeah
I Got A Little Piece Of
You- Hoooo

And it's Just like
Woo- Hooo
Wam Bam! Thank you ma'am
Woo- Hooo
I'm Slut Like You
You Say You're
Looking For A
Foo- ool
& I'm Just Like:
"Me Too"
I'm Gonna Let You Know
The Tru-uth
I'm Slut Like You
You Don't Win A Prize
With Your Googly Eyes
I'm Not A Cracker Jack
You Can't Go Inside
Unless I Let You Jack
Or Sam
Fuck What's Your
Name Again?
You Male Come Now
You Caveman Sit Down
You Shh Don't Ruin It
Wow Check Please !
I I've Got A Little Piece Of You
And it's Just Like Woo
Wam Bam Thank You Ma'am
Boo- Hoo
Im Slut Like You
Woo-Hoo

Looks Like The Joke's On
You-Hoo
