Lights and Music

Cut Copy

This is why we woke too late
For your birthday
Secrets that we held that day
Will be kept straightAll your friends have gone away
So let's celebrate
With holding hope open for the one
Making new wayTell me what you hope to say
On your birthday
Secrets that we held that day
Will be kept straightEveryone will be dismayed
If your promise breaks
But you'll be back again to say
Who you like bestLights and music
Are on my mind
Be my baby
One more timeLights and music
Are on my mind
Be my baby
One more timeFading with the color you
Seeing my face
Cold and crystal you can hide
But your tears raceI?ll be waiting by your time
Put your dreams away
With holding hope, hoping for the one
Making new wayLights and music
Are on my mind
Be my baby
One more timeLights and music
Are on my mind
Be my baby
One more time
