Riot on Sunset

James Durbin

Verse:
Here we stand
Hand in hand
We won't give up and we won't back down again
Gonna take a stand

If we fall we're gonna get back up
Don't give a damn if we're right or if we're wrong
We're not we're reading on

Chorus:
Ohhhhhh here I am again
Gonna stay up late and sing
Ohhhhhh here I am again
Gonna let the freedom ring
With the riot on sunset
With the riot on sunseohhhhhhh
(Right from last word to next versions)

Verse:
We may be young but we are strong
It doesn't matter that we dance to a different drum
Cause we're gonna carry on
Well this is a war that we've already won
We are the youth and we just wanna have fun
So bring it on

Chorus:
Ohhhhhh here we are again
Gonna stay up late and sing
Ohhhhhh here we are again
Gonna let our freedom ring
With the riot on sunset

Bridge:
We don't want the world to know
We are taking over
We will stay content and mend
Here we go again

1,2,3, go

Chorus:
Ohhhhhh here We are again
Gonna stay up late and sing
Ohhhhhh here We are again
Gonna let our freedom ring
With the riot on sunset
X2
With the riot on sunset
