

# Adora

## Adorned Brood

In the world  
where she was born  
witchcraft and  
sorcery were practicedTransformation, Christianity, CremationAdora walks her way  
through the forest in the night.  
The moon is shining brightly.  
Adora walks her way  
through the forest  
and the trees whisper to her.Adora - in the name of Christ  
Adora - churche's liesShe lives her own life  
and she is very intelligent.Transformation, Christianity, CremationBecause of being that way  
she was a witch  
and she had to be  
burned by the christiansTransformation, Christianity, CremationAdora was thrown on the hist  
she burned with a smile on her face.Adora - In the name of Christ  
Adora - churche's liesAdora walks her way  
through the forest  
in the night.  
The moon is shining brightly.  
Adora walks her way  
through the forest.
