Everytime

A1

Lately I'm not who I used to be
Someone's come and taken me
Well, I don't wanna go
If I knew exactly what I have to do
In order to be there for you
When you were feeling low
And all the things we ever wanted
Were once yours and mine
Now, I know we can revive it
All the love we left
Everytime I kiss I feel your lips
And everytime I cry I see your smile
And everytime I close my eyes, I realize
That everytime I hold your hand in mine
The sweetest thing my heart could ever find
And I have never felt this way
Since the day I gave your love away
Save me, I've fallen from my destiny
You and I were meant to be, I've thrown it all away
Now you're gone, it's time for me to carry on
But baby, I just can't go on without you by my side
And all the things we ever wanted
Were once yours and mine
Now, I know we can revive it
All the love we left
Everytime I kiss I feel your lips
And everytime I cry I see your smile
And everytime I close my eyes, I realize
That everytime I hold your hand in mine
The sweetest thing my heart could ever find
And I have never felt this way
Since the day I gave your love away
We can survive it all the pain we feel inside
You relied on me and now I've let you down
(I've let you down)
Now, I promise you forever I will be the best I can
Now, I know we can revive it all the love we left
Everytime I kiss I feel your lips
And everytime I cry I see your smile

And everytime I close my eyes, I realize
That everytime I hold your hand in mine
The sweetest thing my heart could ever find
And I have never felt this way
Since I gave your love away
Everytime I kiss, everytime I cry
And everytime I close my eyes, I realize
That everytime I hold your hand in mine
The sweetest thing my heart could ever find
And I have never felt this way
Since the day I gave your love away
