

Pat's Solo

Joni Mitchell

this is my solo., excuse me sir...would you please take your seat, im playing my solo... no im serious can't you see im playing a solo here...hey buddy sit down so i can concentrate on my solo....ok that's it, you would think that and artist could play a solo once in a while with ou any interuptions, here...you take my guitar and show us what is so important...what...you work here, your the usher...ooook, sorry ,soooo i'll just plsy my solo then.
