

# Wherever You Are

Angeline Quinto

Wherever you are  
Wherever you are  
I feel you everytime my heart beats  
Our love grows stronger as the days go by  
You don't have to say that you love me  
We're good together cause we're two of a kind  
And I  
I need you to light up my life  
I need you to keep me alive  
Wherever you are  
Whatever you do  
Every breath that I take  
I'll be thinking of me and you  
Wherever you go  
You know you're not alone  
So hold on and be strong  
Cause you know we're two hearts beating as one  
So close there was nothing between us  
With every beat I feel you more and more  
I used to think paradise was beyond me  
But you brought heaven right to my door And I  
I need you to light up my life  
I need you to keep me alive  
Wherever you are  
Whatever you do  
Every breath that I take  
I'll be thinking of me and you  
Wherever you go  
You know you're not alone  
So hold on and be strong  
Cause you know we're two hearts beating as one  
  
This is where you belong  
Because we're one in the same (you'll never be lonely)  
You are the reason I live  
The reason I'll never be lonely again  
Wherever you are  
Wherever you are  
Wherever you are

You know you're not alone  
You know you're not alone  
    Wherever you are  
    Whatever you do  
    Every breath that I take  
I'll be thinking of me and you  
    Wherever you go  
You know you're not alone  
    So hold on and be strong  
Cause you know we're two hearts beating as one  
    Wherever you are  
    Whatever you do  
    Every breath that I take  
I'll be thinking of me and you  
    Wherever you go  
You know you're not alone  
    So hold on and be strong  
Cause you know we're two hearts beating as one  
    You know I'm thinking of ya  
    I'm always thinking of ya  
    Every breath that I take  
I'll be thinking of me and you  
    [To fade]
