

Sweet Nadine

Arc Angels

Here comes sweet Nadine
I see her face just like the perfect dream
She's loud and she's mean
And the fire in her eyes,
Could burn a hole in my soul
Right through me,
I love sweet Nadine
I'd be her fool I'd be her everything
I know what this means
If lovin' her was deadly,
Death is what I need Sweet, sweet Nadine
Sweet Nadine,
That ain't her real name,
But ya know what I mean Listen here sweet Nadine,
Honey we got lucky this is the real thing,
Some people search their whole life through,
But still they don't feel like this connection,
Between me and you,
I promise you sweet Nadine,
Honey this is serious yes I got the ring,
You know what this means,
So pack up those doubts and fears from yesterday
Throw them away, and come with me Sweet, sweet Nadine
Sweet Nadine,
That ain't her real name,
But ya know what I mean And the people say,
Hey, take it slow
Love is blind deaf and dumb
And it can't be told,
Cause you see this girl she ain't just beautiful
Well that she is with a whole lot of, soul
Still the people say,
Hey, take it slow,
Love is blind deaf and dumb
And I can't be told,
Cause you see this girl she ain't just beautiful
Well that she is with a whole lot of, soul Sweet, sweet Nadine,
Sweet Nadine,
That ain't her real name,

But you know what I mean,
Sweet, sweet Nadine,
Sweet Nadine,
Sweet Nadine
