

How It Goes (Remix) [feat. K Camp]

Zach Farlow

We all know who the best is, keep goin' at my necklace
One thing, crashing's a part of me, baby,
Guess that's why they callin' me reckless
You ain't on my love here, there's a chance that you practice
Might pop a pill in the mornin', abe
My homies leanin' on Texas
I might wash up, call me Wolverine
But I'm nothin' like your X-Man
You text them, you text them
When you text me, we sex then
I love the way that yo body lookin'
That dirty piff so excellent
No, X mark that shit, excellence
And I'mma kill you now with no missile in
I'mma get rid and get rich again
I just go impossible, but I'm pissin' it
It all worked out cause I don't fit around
And my visa for victory

I came up from the basement, homie, that's just how it go
I started from the basement, goin' up by the blow
Ain't no doubt I'm the maker, baby, I'm on the roll
And they gon' try to take it from me, that's just how it go
That's just how it go x5()
Hold and treat me like Christmas
I'm in love with my present
Only one shot, I can't miss
But I'm just tired up for two seconds
Honey girl wanna be my queen, got me under pressure
To these beasts I'm aggressive
Be mean, I won't let ya
For this green, I'm not stressin'
Tryna teach y'all a lesson
I'm tryna preach with no reverend
For my team I'm investin', I m a king and already
I'm a king, there's no question
Bitch, I'm a king, and y'all peasants
Feist with me, so deadly, like tryna eat yo food wit no blessing
My team smokin' on lau, I might just turn it up a few decibels

Keep a close up on yo barrel boy

I might still?

Watch my green grow with no veggies

Hit that knee spot with my decibel
