

# 10,000 Hours

## PRETTYMUCH

Yeah

It's PRETTYMUCH They say (what?), time is money (okay)

You know I'm still young (yeah), gonna spend all mine on you

Practice (hey), it makes perfect (woop)

When you show up (come here), gonna put this time to use Nights on nights on nights (woo)

Days on days on days (woo)

Clock work, night work, homework

We don't take no breaks (woo)

I get A's on A's (woo)

Ain't gotta calculate

Clock work, night work, homework

Babe I'm 'bout to take

10, 000 hours of loving you, we gon' get it right, get it right baby

10, 000 hours of loving you, do it every night, every night, baby I'll put in the time if you let me (oh oh)

I'll fill up your mind with some memories

Babe I'm 'bout to take to take 10, 000 hours of loving you

We gon' get it right, get it right, baby Your body (hey), it's a problem (goddamn)

Let me study (woo), get some knowledge from you, yeah

We can (yeah), do this soft and (okay)

Listen, trust me (trust me), you should cancel all your plans Nights on nights on nights (oh yeah)

Days on days on days (oh yeah)

Clock work, night work, homework

We don't take no breaks

I get A's on A's (aye)

Ain't gotta calculate (yeah yeah)

Clock work, night work, homework

Babe I'm 'bout to take

10, 000 hours of loving you (I'm about to

take it), we gon' get it right, get it right baby

10, 000 hours of loving you (I know you like it,

I know you love it), do it every night, every night, baby I'll put in the time if you let me (let me, let me)

I'll fill up your mind with some memories

I'm about to take 10, 000 hours of loving you (10, 000 I-I-I)

We gon get it right, get it right, baby Take you deeper than the ocean (woo, Austin! get it)

Have you all in your emotions

Making hours outta seconds (I see you, yeah get it)

Hallelujah, 'bout to bless it (Hallelujah, Hallelujah, my god)

Babe I'm 'bout to take 10, 000 hours of loving you, we gon get it right, get it right, baby

10, 000 hours of loving you, do it every night, every night, baby I'll put in the time if you let me

I'll fill up your mind with some memories  
I'm about to take 10, 000 hours of loving you  
We gon get it right, get it right, baby I'll put in the time if you let me  
Fill up your mind with some memories  
I'll put in the time if you let me (if you let me)  
Fill up your mind with some memories (if you let me)  
I'll put in the time if you let me (if you let me)  
Fill up your mind with some memories  
(Fill up your mind babe,  
fill up your time, I'll put in the time, babe)  
I'll put in the time if you let me  
Fill up your mind with some memories
