# This Afternoon

## [unknown]

Oh, looking like another Bob Marley day
Hitting from the bong like a diesel train
And I'm down with hanging out this afternoon
We got weeds in the backyard four feet tall
Cheech and Chong probably would have smoked them all
So, I'm out on the couch this afternoon
Beer bottles laying on the kitchen floor
If we take them out back, we can buy some more
So I doubt we're going out this afternoon, oh
Better hang on if you're tagging along
'Cause we'll be doing this 'til six in the morning
Nothing wrong with going all night long
Tough to put the brakes on, doesn't matter when you gotta
Get up and go out, me and all my friends
Drink up, fall down, then we'll do it all again
Just sitting around, hanging out this afternoon
Landlord says I should buy a tent
But he can kiss my ass 'cause I paid the rent
So I doubt, he'll kick me out this afternoon
Down on the corner in a seedy bar
Jukebox cranking out the CCR
Had a few to Suzie Q this afternoon, oh
Better hang on if you're tagging along
'Cause we'll be doing this 'til six in the morning
Nothing wrong with going all night long
Tough to put the brakes on, doesn't matter when you gotta
Get up and go out, me and all my friends
Drink up, fall down, then we'll do it all again
Yeah, we get up, go out, me and all my friends
Drink up, fall down, and we'll do it all again, yeah
Yeah, just sitting around, hanging out this afternoon
Wear a wristwatch and alarm clock to see what time it ends
From the moment I wake up, I just love being with my friends
We barely get by, but have the best times and hope it never ends
We drink all day until we fall down, so we can do it all again
It's not a human walk, it's the human race
If we were living on the edge, taking too much space
So I'll doubt I'll figure out just what to do
'Bout to kick it around, hanging out this afternoon, oh

Better hang on if you're tagging along
'Cause we'll be doing this 'til six in the morning
Nothing wrong with going all night long
Tough to put the brakes on, doesn't matter when you gotta
Get up, go out, me and all my friends
Drink up, fall down, then we'll do it all again, yeah
We get up, we go out, me and all my friends
Drink up, we fall down, and we'll do it all again
Just sitting around, hanging out this afternoon
Just sitting around, hanging out this afternoon
Just sitting around, hanging out this afternoon
Just sitting around, hanging out this afternoon
Just sitting around, hanging out this afternoon
Just sitting around, hanging out this afternoon
