

Whiskey Won The Battle

[Ashton Shepherd](#)

I had a headache when I woke up this morning
And a picture of you beside my head
And I drank 'till two
And I fell lying on the floor
The whiskey won the battle
But your memory won the war And I can't figure out
Just what went wrong
I play it in my head
Like an old Hank Williams song
And I can't do this
I can't do this anymore
The whiskey won the battle
But your memory won the war Oh, and it tears me up
Knowing she's with you
Oh, and I drink some more
For your memory I gotta lose I had a headache when I woke up this morning
And a picture of you beside my head
Oh, and I drank 'till two
And I just fell lying on the floor
The whiskey won the battle
But your memory won the war Yeah, yeah The whiskey won the battle
But your memory won the war
