

Go Tell It on the Mountain

Bob Marley

Oh
Talking about reaction
Yeah yeah yeah
Oh
Talking about detraction
Yeah yeah yea h
Said I'm a rocking you?
From shantytown
Yeah yeah yeah
Rocking rocking rocking,
Yeah yeah yeah
Shocking shocking shocking,
Yeah yeah yeah
Moving moving moving,
Yeah yeah yeah
Booglin' booglin' booglin' To have a big attraction
Yeah yeah yeah
There's a reaction
Yeah yeah yeah
You don't don't don't get that soul
No no no
You don't get that soul
No no no
To every little attraction
Yeah yeah yeah
There's a reaction
