

Tell Her

Jesse McCartney

I know how it feels
To wake up without her
Lying here all alone
Just thinking about her I can't believe her hold on me
It's somethin' indescribable
I know she knows
But won't you please If you see my girl
Just tell her I miss her smile
Tell her I'm counting the minutes
Gonna see her in a little while Oh 'cause I know when she holds onto me
She's the one thing that I could never live without
Oh, oh, oh, and tell her I love her, oh, yeah
Just tell her I love her The way that she moves
You know what it does to me
And when I catch her eye
I can hardly breathe Still can't believe her hold on me
She's just so indescribable
I know she knows
But won't you please, please, yeah If you see my girl
Just tell her I miss her smile
Tell her I'm counting the minutes
Gonna see her in a little while 'Cause I know when she holds onto me
She's the one thing that i could never live without
Oh, oh, oh, and tell her I love her Every time that I'm around her
I just go to pieces crashing, tumbling to the ground
I'm so glad I found her
I know how it feels If you see my girl
Just tell her I miss her smile
Tell her I'm counting the minutes
Gonna see her in a little while 'Cause I know when she holds onto me
She's the one thing that I could never live without
Oh, oh, oh, just tell her I love her If you see my girl
Just tell her I miss her smile
Tell her I'm counting the minutes
Gonna see her in a little while 'Cause I know when she holds onto me
She's the one thing that I could never live without
Oh, oh, oh, oh, oh, oh, oh, oh, oh
And tell her I love her, oh, yeah, just tell her I love her
