Help You Fly

Ivan

I will help you learn how to fly, how to flyDo you remember when you were younger
You didn't worry for a day
Now all the questions and no direction
They make our reasons insaneIt's time you released yourself
Before you can let goI will help you learn how to fly, how to fly
Free, leave all the madness behind, far behindYou feel like you are the poison
It's time to heal you from the pain
I know that you've been the hunted
I want to free you againIt's time you released yourself
Before you can let goI will help you learn how to fly, how to fly
Free, leave all the madness behind, far behindIf I can fly then you can
If I can fly then you can fly
If I can fly then you can fly
If I can fly (If I can fly)
If I can flyI will help you learn how to fly, how to fly
Free, leave all the madness behind, far behind
All behind
