So Stylistic (DJ B-Stee Intro Edit)

Fannypack

When the sun goes down and the freaks come out
Thats when we arrive to make you scream and shout
The stage is a castle and we are the queens
There's a line outside so you know what that meansPeople got into their cars and came really, really far
To see some Brooklyn girls shine like stars
You know we gonna tear it up y'all
We gonna blow that little house down, call me Mary
'Cause I get things poppin' with my super duper soundRomantical, dramatical, nuclear beats
Ghettofied celebrities, fantastical treats
Technologically advanced the dance is futuristic
Glamour girls rock your world, so stylistic
Stylistic, stylistic, stylisticWatcha gonna do when I come after you
Better blow your little horn like little boy blue
The weekends here and its Friday night
Got my nails done and my weave is tightHomework done and I'm out that do
Fannypack hoes on the way to that show
Cell phone, wallet, keys and my lipstick
Jump in the Limousine, so stylisticPick up my girls in my big black ride
Jessibel on my left and Cat on my right
We look so good it can't be denied
Pull up to the spot time to go insideGet to the club and I twist 'em up
Don't want no beef or fisticuffs
Makin' heads bob like natural mystic
Feelin' kinda nice and so stylistic
Romantical, dramatical, nuclear beats
Ghettofied celebrities, fantastical treats
Technologically advanced the dance is futuristic
