Aphrodisiac

Cronos

Take an a-a-aphrodisiac
But don't do no-no-nothing, just relax
Your ha-ha-heart goes piddle-pat
Take an a-a-aphrodisiacIf you want to fall in love with somebody
Somebody that you're not in love with at allWith an a-a-aphrodisiac
Your ha-ha-heart goes piddle-pat
Don't do nothing
Just relax with an a-a-aphrodisiac[Incomprehensible]
If you want to fall in love with somebody, hey
Somebody that you're not in love with at all
Exciting you, just make you love me too, yes
Somebody that you're not in love with at allI'm your a-a-aphrodisiac
Don't do nothing, just relax
Gives you a a heart attack
Just take your clothes off, this is over jackIf you want to fall in love with somebody
Somebody that you're not in love with at allTake an a-a-aphrodisiac
But don't do no-no-nothing, just relax
Elephants' un-agreed
Wo-wo-wor to succeedA-a-aphrodisiac, gives you a a heart attack
Don't do nothing, just relax
I'll be your aphrodisiacAphrodisiac, aphrodisiac
Aphrodisiac, aphrodisiac
Aphrodisiac, aphrodisiac
Aphrodisiac, aphrodisiacDo, do, do
Do, do, do
Do, do, doDon't do nothing, just relax
With an a-a-aphrodisiac
