

# Trav'lin' Light

Tony Bennett

I'm trav'lin' light  
Because my girl has gone  
And from now on  
I'm trav'lin' light

She said, "Goodbye"  
And took my heart away  
So from today  
I'm trav'lin' light

No one to see  
I'm free as the breeze  
No one but me  
And my memories

Some lucky night  
She may come back again  
But until then  
I'm trav'lin' light

Some lucky night  
She may come back again  
But until then  
I'm trav'lin' light, trav'lin' light
