

# Never Say Never (Alex Guadino Remix)

Armin van Buuren

Stay with me wont you wait for me  
Care for me and never say never Love, your in my flashing bottle  
Wherever you're going home  
I'll follow you there[x3]  
You're in my head  
In my heart  
In my soul  
The air I breath You're my favorite need  
I'll follow you, yeah Mmm...I'll follow you But everything seems lost  
I'm stuck in falling down  
You will guide me home So promise me you'll stay with me  
Won't you wait for me  
Care for me and never say never  
Stay with me  
Won't you wait for me  
Care for me and never say never again.[x2]  
No, never say never again
