

Yesterday's Feelings

The Used

Close my eyes and move to the back of my mind
The worries are washed out to sea
See the changes, people's faces blurred out
Like sunspots or raindrops Now all those feelings, those yesterdays feelings will all be lost in time
But today I've wasted away for today is on my mind Left the only worries I had in my hands
Away from the light in my eyes
Holding tight and try not to hide how I feel Now feelings mean nothing All those feelings, those yesterdays
feelings will all be lost in time
But today I've wasted away for today is on my mind (today is on my mind) I can't get a worry
I'm feeling so lonely
Breaking apart all this love in my heart
Close my eyes and move to the back of my mind Where feelings mean nothing All those feelings, those
yesterdays feelings will all be lost in time
But today I've wasted away, for today is on my mind
But today I've wasted away, for today is on my mind
But today I've wasted away, for today is on my mind I can't get a worry
I'm feeling so lonely
Breaking apart all this love in my heart
