I been gone for a minute
Now I'm back bitch
On my rap shit
On my I don't give a fuck about that shit
All the haters in the world
Give my ass a kiss that's blasphemous
I'm G O D hold it down like P O P
I can save the world like Keanu Reeves
As I creep on the beat like TLC
Don't Blow my high girl blow my D
Everybody wanna chill man that shit ain't free
Y'all fucking with the bomb this TNT
I caught the roadrunner and I put 'em on a leash
This beat by RL Grime give you the Goosebumps like RL Stein
It's a VOID in the game I think we'll be fine this is perfect timing
On my grind like clockwork
Until my life clock stops gotta hit the top first
I'ma be a legend but I bet I probably die first
Worst on my worst behavior
Swear I was sent here to be the earths savior
All I feel is love could give a damn about a hater
You'll be a fan now or later
You'll be a fan now or later
