God's Song (That's Why I Love Mankind) [Live]

Randy Newman

Cain slew Abel Seth knew not why
For if the children of Israel were to multiply
Why must any of the children die?
So he asked the Lord
And the Lord said:Man means nothing he means less to me
Than the lowliest cactus flower
Or the humblest Yucca tree
He chases round this desert
Cause he thinks that's where I'll be
That's why I love mankindI recoil in horror fro the foulness of thee
From the squalor and the filth and the misery
How we laugh up here in heaven at the prayers you offer me
That's why I love mankindThe Christians and the Jews were having a jamboree
The Buddhists and the Hindus joined on satellite TV
They picked their four greatest priests
And they began to speak
They said, "Lord, a plague is on the world
Lord, no man is free
The temples that we built to you
Have tumbled into the sea
Lord, if you won't take care of us
Won't you please, please let us be?"
And the Lord said
And the Lord said
