

Operator, Operator

Sister Wynona Carr

Operator, Operator,
Don't call me I'll call you l8r!
Operator, oPERATOR,
I'm just fine, I'll call you l8r!

Why would I wanna be anybody else but me?
I'm never gunna fake it.
Why would I ever be,
Anybody else but me? I wouldn't ever make it.

It's all I ever wanna be, a girl like me
a girl like me
