

Sad Song

Oasis

Sing a sad song in a lonely place
Try to put a word in for me
It's been so long
Since I found the space You better put in two or three
We as people are just walking 'round
Our heads are firmly fixed in the ground What we don't see
Well, it can't be real
What we don't touch
We cannot feel Where we're living in this town
The sun is coming up
And it's going down
But it's all just the same
At the end of the day And we cheat and we lie
Nobody says it's wrong
So we don't ask why
Cause it's all just the same
At the end of the day We're throwing it all away
We're throwing it all away
We're throwing it all away
At the end of the day If you need it
Something I can give
I know I'd help you if I can
If you're honest
And you say that you did You know that I would give you my hand
Or a sad song in a lonely place
I'll try to put a word in for you Need a shoulder?
Well, if that's the case
You know there's nothing I wouldn't do Where we're living in this town
The sun is coming up
And it's going down
But it's all just the same
At the end of the day When we cheat and we lie
Nobody says it's wrong
So we don't ask why
Cause it's all just the same
At the end of the day Don't throw it all away
Don't throw it all away
Don't throw it all away
Don't throw it all away Throwing it all away

Throwing it all away
Throwing it all away Throwing it all away
Throwing it all away
You're throwing it all away
At the end of the day
