

The Best Of Me

Bryan Adams

You got it Sometimes words are hard to find
I'm lookin' for that perfect line
To let you know you're always on my mind Yeah, this is love
An' I've learned enough to know
I'm never lettin' go
No, no, no, won't let go When you want it, when you need it
You'll always have the best of me
I can't help it, believe it
You'll always get the best of me I may not always know what's right
But I know I want you here tonight
Gonna make this moment last for all your life, yeah Oh, this is love
An' it really means so much
I can tell from every touch
No, no, no, can't get enough When you want it, when you need it
You'll always have the best of me
I can't help it, believe it
You'll always get the best of me, yeah
Get the best of me, oh Oh, this is love
An' I've learned enough to know
I'm never lettin' go
No, no, no, won't let go You'll always have the best of me
You'll always get the best of me
(You've always got the best of me, baby)
You'll always have the best of me
(I can't help it)
You'll always get the best of me
(I can't help it) Oh, when you want it
(When you want it)
When you need it
(When you need it)
You'll always have the best of me
(I can't help it)
I can't help it
(Believe it)
Believe it, yeah
(You'll always get the best of me)
Oh, you'll always get the best of me, baby (Do you need it)
Oh!
(When you need it)

When you need it
(You'll always have the best of me)
 Oh, this is love
 (Do you need it)
 (Believe it)
You've got the best of me
(You'll always get the best of me)
 Oh, you got the best of me
 (Do you need it)
 (Believe it)
