Eva Taylor

I am the face of piss and shit and sugar
I do a crooked little dance with my funny little monkey
What I want, what I want is just your children
I hate what I have become to escape what I hated beingCalliopenis envy from your daddy
You're not gonna hear what he don't want to hear
What I say, disgusts him
He wants to be me and that scares him
Let's do a funny little dance with my funny little monkey
The black keysHere is my real head
Here is my real head
I wear this fuckin' mask because you cannot handle me
Here is my real headThey try to blink me not to think me
Don't want to bring me out
I am the rotten teeth, my fists are lined with suckers
My prison skins an eyesore-mirror-sketch-padI am your son
Your dad
You fag
I am your fadHere is my real head
Here is my real head
Well I wear this fuckin' mask because you cannot handle me
Here is my real headHere is my real head
Here is my real head
Here is my real head
Here is my real headWell I wear this fuckin' mask because you cannot handle me
Here is my real head
Well I wear this fuckin' mask because you cannot handle me
Here is my real head
