

# Street Boogie

Elton John

Street guys walking, dancing  
Sidewalk music, hot thing  
They got their boxes tuned into their favorite show  
As they truck on down the road  
Is that the radio?  
Yes, that's the radio  
Let it go, let it go, let it go Street boogie got a hold on me  
Street boogie gonna set me free  
Street boogie keeps a hold on me  
It's all right, it's all right, it's all right with me Street boogie - it's the city beat  
Street boogie on the boogie street  
Street boogie, yeah, and that's for me  
Street boogie, street boogie, street boogie, street boogie Traffic skater rolling  
Sharing music, sure thing  
He got his shoulder holster turned a way up loud  
As he wheels his way around  
Is that the radio?  
Yes, that's the radio  
Catch the sound, catch the sound, catch the sound
