

DJ

Jamelia

You're gonna rock to this
You're gonna drop to this 10 o'clock, weekend
Bout to head out to the garden of eden
Go my shelltoes and my cap on
Before I hit the door I got to get my cellphone
Bout to call my boys and see what's up?
Are you rollin with this chick or what?
Meet me at the spot
I'll be the one round the back in the drop top Chorus
Dj, gimme a beat I can rock to
I want a joint you can drop to
The ceiling is caving in
The speakers is rumbling
Dj, gimme a beat I can rock to
I want a joint you can drop to
The ceiling is caving in
The speakers is rumbling Turn it up, bump the bass
'Cause we bout to tear the roof off this place
Shake ya ass, check ya glass
Put your hands up, let the track blast
Yo, this beat it so ridiculous
I think this dancefloor's about to bust
Everybody on the wall
Better press 'cause it's bout to be last call We ain't trtrying to leave the club
Now let me show you how to get crunk
Hit the floor, lock the door
It's time to go Repeat chorus If you came to dance, clap your hands
Ladies grab your man and
Feel the bass, go uhh-uhh
All in your face go uhh-uhh x2 Repeat chorus x2 Give me a beat I can
I want a joint you can rock to
Give me a beat I can
I want a joint you can rock to
