Villa Vampiria

God Dethroned

Villa VampiriaScum of the earth
Winged vermin of the night
Sharpened teeth, poisoned blood
Madness is running through my veinsThe taste of blood feeds my soul
Feels so good, I kill unbound
You're gonna give it all to me
I want your blood, I want it nowA killer divine searching for blood
Sucking you dry
I'm devoured by your blood
Villa VampiriaYou ran into me
In the final hours of the night
Two black holes in your neck
In this empty street I killed you swift and quickEmotionless, a heart of stone
I'm dead inside, I kill unbound
They die with horror in their eyes
I want your blood, I want it nowA killer divine searching for blood
Sucking you dry
I'm devoured by your blood
Villa VampiriaVilla Vampiria
Villa VampiriaWelcome to my house
I like bathing in blood
Your body cut open
I like bathing in bloodVilla Vampiria
Villa VampiriaWelcome to my house
I like bathing in blood
Your body cut open
I like bathing in blood
I want your blood, I want it nowA killer divine searching for blood
Sucking you dry
Devoured by your blood
Villa VampiriaA killer divine searching for blood
Sucking you dry
Devoured by your blood
Villa Vampiria
Villa Vampiria
