I Don't Mind

Kubb

What will you do now everyone has gone home?
Leaving in quiet and leaving us to be alone
I waited too long to say
I tried to pretend, I only want you to stay
If just for tonight
Don't let me go, I won't mind it
Maybe it's right, we will never know
I don't mind it
The day is through now, doesn't feel right
I can't stand the quiet so I lay awake all through the night
We'll journey on and just let it play
Don't ever let it end, I only want you to stay
If just for tonight
Don't let me go, I won't mind it
Maybe it's right, we will never know
I don't mind it
Wait for a moment
But there's nothing that I can say to you
So go if you wanna
There's nothing left for me to do
If just for tonight
Don't let me go, I won't mind it
Maybe it's right, we will never know
I don't mind it
If just for tonight
Don't let me go, I won't mind it
Maybe it's right, we will never know
I don't mind it
I don't mind it
I don't mind it
I don't mind it
