

Bark At the Moon

The Frankenstein Drag Queens from Planet 13

Advisory - the following lyrics contain explicit language:

Screams break the silence
Waking from the dead of night
Vengeance is boiling
He's returned to kill the light
Then when he's found who he's looking for
Listen in awe and you'll hear him Bark at the moon Years spent in torment
Buried in a nameless grave
Now he has risen
Miracles would have to save
Those that the beast is looking for
Listen in awe and you'll hear him Bark at the moon
Hey ya bark at the moon They cursed and buried him
Along with shame
And thought his timeless soul had gone (gone)
In empty burning hell-unholy one
But he's returned to prove them wrong
(so wrong) oh ya baby
Howling in shadows
Living in a lunar spell
He finds his heaven
Spewing from the mouth of hell Those that the beast is looking for
Listen in awe and you'll hear him
Bark at the moon.
Hey ya bark at the moon
Hey ya bark at the moon
Ooh ooh ya ya bark at the moon
