

Turn Around (feat. Ne-Yo) [Marc MacRowland Remix]

[Conor Maynard](#)

Turn around, open your eyes, look at me now
Turn around, girl I've got you, we won't fall down
We can see forever from up here
So long as we're together have no fear, no fear So turn around, floating so high up off the ground
Floating so high, turn around
Together nothing can stop us now, listen baby
Turn around, floating so high up off the ground
Floating so high, turn around,
Together nothing can stop us now, turn around, turn around Turn around, outta space, we can go there now
Turn around, there's no limit, to what we've found
Music up, I wanna feel it all, and baby we'll stay up
Cause' there's no way for us to fall, to fall So turn around, floating so high up off the ground
Floating so high, turn around
Together nothing can stop us now, listen baby
Turn around, floating so high up off the ground
Floating so high, turn around,
Together nothing can stop us now, turn around Baby we're so high now,
Tell our worries and our pain goodbye now
Our home is the sky now, and we're never coming down, down, down So turn around, floating so high up off the
ground
Floating so high, turn around
Together nothing can stop us now, listen baby
Turn around, floating so high up off the ground
Floating so high, turn around,
Together nothing can stop us now, turn around Turn around, turn around, nothing can stop us now
