

# Wicked Way

Imelda May

Gotta get you alone  
Gotta get you alone  
Gotta get you all on your own  
Gotta get you alone  
Wanna give you my love  
Wanna give you my love  
'Cos all this talk is not enough  
I wanna give you my love  
Wanna have my wicked way with you  
With no one else in view  
Oh this fire in my heart so hot  
That it's burnin', burnin' through  
Is this sent from Heaven, Hell  
Or a potion of the two  
All I know is it's torture  
I'm your pin doll, you're my voodoo  
Wanna kiss your mouth  
Wanna kiss your mouth  
Oh I've watching how you pout  
Wanna taste that mouth  
Let me slip away  
Let me slip away, not a word to say  
Just let me slip away
