Tears On the Wall

Twilight Ritual

This city is broken
The damage is done
The war is over and the soldiers are gone, long gone...
This city has ruined the clouds above and these bodies bled innocent blood for nothingThis city was a hiding place for us but we could only hide behind these walls because
the smoke aren't dense enough to keep us undercover
from the planes above our headsWhat can i do?
There's nothing here that can save us
There's nothing here that can save us all
All that's left behind for us were only remnants of tragedy
