

# I'm Sorry I Must Leave

Ralph McTell

If I find another way to save you all this pain  
I wouldn't take that evening train,  
Or tell you it's goodbye again.  
But it would be so wrong of me to stay. If I find another way that couldn't be the same,  
She'd never call me by my name  
The way you do, but it's me I blame  
And I'm sorry I must leave. If I try and make you see that things aren't what we plan  
And I say goodbye and touch your hand.  
I know that you won't understand  
The pain is just as great for me.  
If I find another way that couldn't be the same,  
She'd never call me by my name  
The way you do, but it's me I blame  
And I'm sorry I must leave.
