Zoom

The Commodores

I may be just a foolish dreamer
But I don't care
'Cause I know my happiness is waiting out there somewhere

I'm searching for that silver lining
Horizons that I've never seen
Oh I'd like to take just a moment and dream my dream
Dream my dream

Zoom
I'd like to fly far away from here
Where my mind is fresh and clear
And I'd find the love that I long to see
Where everybody can be what they wanna be

I'd like the greet the sun each morning
And walk amongst the stars at night
I'd like to know the taste of honey in my life
Well I've shared so many pains
And I've played so many games
But everyone finds the right way
Somehow
Somewhere
Someday

Zoom
I'd like to fly far away from here
Where my mind can be fresh and clear
And I'll find the love that I long to see
People can be what they wanna be

I wish the world were truly happy
Living as one
I wish the word they call freedom someday would come
Someday would come

Zoom
I'd like to fly far away from here
Where my mind can be fresh and clear
And I'd find the love that I long to see

Everybody can be what they wanna be

Zoom, baby
Well I'd like to fly away
Zoom
Well I'd like to fly away
Zoom
Well I'd like to fly away
Zoom
Well I'd like to fly away
Zoom
Well I'd like to fly away
Zoom
Well I'd like to fly away
Zoom
Well I'd like to fly away

You and me, baby
Walking free

Don't you wanna go?
Don't you wanna go?
Baby, baby, baby
Baby, baby, baby
Don't you wanna go?
Don't you wanna go?
Don't you wanna go?
Don't you wanna go?
Don't you wanna go?
Baby, baby, baby
Baby, baby, baby
