

Coming In from the Cold

Bob Marley & The Wailers

In this life, in this life, in this life
In this, oh sweet life
We're (we're coming in from the cold)
We're coming in, we're coming in (coming in)
We're coming in, we're coming in (coming in)
We're coming in, we're coming in (coming in)
We're coming in, we're coming in (coming in)
We're coming in from the cold It's you, it's you, it's you I'm talkin' to
Well, you (it's you) you (it's you), you I'm talking to now
Why do you look so sad and forsaken
When one door is closed, don't you know another is open Would you let the system make you kill your
brotherman?
No, no, no, no, no, no, no, dread, no
Would you make the system make you kill your brotherman?
(No, dread, no)
Would you make the system get on top of your head again?
(No, dread, no!)
Well, the biggest man you ever did see was was just a baby In this life (in this life)
In this (in this life, oh sweet life)
Coming in from the cold
We're coming in, we're coming (coming in), coming in-a (coming in)
Coming in (coming in), ooh (coming in)
Coming in from the cold It's life (it's life), it's life (it's life), it's life (it's life)
It's wa well, coming in from the cold
We're coming in (coming in), coming in (coming in)
Ooh (coming in), hey (coming in)
Coming in from the cold It's you, you, you I'm talking
Well, yes, you, bilyabong (it's you)
Ew, you I'm talking to now
Well, why do you look so, look so, look so sad
Look so sad and forsaken?
Don't you know, when one door is closed, when one door is closed
Many more is open? Well, would you let the system get on top of your head again?
No, no, no, no, no, no, no, no, no, dread, no
Would you let the system make you kill your brotherman?
No, dread, no
Well, would you make the system get on top of your head again?
(No, dread, no) no, no, no, no, no, no, no, no, no, no, no
Well, the biggest, biggest man you ever, ever

Did-a see was-a was-a once a baby
In this life, in this life, in this life
In this, oh, sweet life
We're (coming in from the cold) from the cold
