A Place Like This

Cece Winans

I've got somebody waiting at home
Someone who gives me love like I've never known
So won't you tell me what am I doing?
Chasing shadows in some dark hotel roomI won't lie and say I'm proud of myself
But lately I've been acting like I'm somebody else
I know that I should walk out of that door
Still I hate to leave without what I've came here forAnd I ask myself
(I ask myself)
What's a nice girl
(What's a nice girl like you)
Doing in a place like this
(Doing)
Stealing a kiss
(Stealing a kiss)And I ask myself
What's a nice girl like you
(You)
Doing in a place like this?
When I know that I
Never should have been here
(I never should have been here)Is it the passion? Or the tender?
What does a stranger have
Ooh, that I hunger for?
Oh, if I dig deeper
(Deeper)
Will I find it?
(Find it)The strength to stand up and leave this behind
Never thought that this could happen to me
I'm doing things I never thought that I would believe, yeah, yeah
The time, the place, this I know my heart
Another thing I know is that this is moreAnd I ask myself
(Myself)
What's a nice girl
(What's a nice girl like you)
Like you
Doing in a place like this?
(Doing)Stealing a kiss
(Stealing a kiss)
And I ask myself
(I ask myself, yeah)What's a nice girl like you

(Yeah)
Doing in a place like this
When I know that I
Never should have been here
(Know that I've been here)Never thought this would happen to me
I'm doing things I never thought that I would believe, yeah, yeah
(I would believe)
The time, the place, this I know my heart
Another thing I know is that this is moreAnd I ask myself
(Oh, I ask myself)
What's a nice girl
(What's a nice girl)
Like you doing in a place like this
(Doing in a place like this)Stealing a kiss and I ask myself
What's a nice girl like you
(Oh, I ask myself)
Doing in a place like this
(Yeah, yeah)
When I know that I
Never should have been here
(Oh, oh, my, oh, whoa)And I ask myself
Doing in a place like this
And I ask myself
Doing in a place like this
(Doing)
When I know that I
Never should have been here
(When I know that I never)And I ask myself
(I ask, I ask myself)
What's a nice girl like you
Doing in a place like this?
(What am I doing here?, What am I doing here?)Stealing a kiss and I ask myself
(I ask myself)
What's a nice girl like you
Doing in a place like this
When I know that I
Never should have been hereAnd I ask myself
What's a nice girl like you
Doing in a place like this
(Doing in a place like this)
Stealing a kiss
(Doing in a place like this)
And I ask myself
(I ask myself)
