Summer Air

Italobrothers

Let's go back (let's go now)Let's go back (let's go now)Okay, I was drunk as hellOkay, but so were youThe same flight, same rowThe same hotelThat sounds fake, but this is the truth
Why don't we just go back
Back to where we came from?
The summer air
The summer air
Why don't we just go back
Back to where we came from?
The summer air
The summer air
Let's go back
Let's go now
Let's go back
Let's go now
Let's go back
Let's go now
Let's go back
Let's go now
The summer air
The summer airOkay, I guess I'm still high
Okay, a high on you
One kiss, one touch, all in
One more time
Stay the night
Maybe two
Why don't we just go back
Back to where we came from?
The summer air
The summer air
Why don't we just go back
Back to where we came from?
The summer air
The summer airLet's go back
Let's go now
Let's go back
Let's go now
Let's go back
Let's go now
Let's go back

Let's go now
The summer air
The summer airYou grabbed my hand
You took me to paradise
And by no chance if I get this night
Since I'm back home
I feel like paralyzed
Baby it's all wrong
Let's make it rightWhy don't we just go back
Back to where we came from?
The summer air
The summer air
Why don't we just go back
Back to where we came from?
The summer air
The summer airLet's go back
Let's go now
Let's go back
Let's go now
Let's go back
Let's go now
The summer airWhy don't we just go back?
